

**General Risk Assessment****Form RA1**

(Refer to Notes for Guidance before completing this form)

School Assessment No:	R(D)SVS/The Roslin Institute
Title of Activity:	Alien Babies
Location(s), Date and Time of Work:	
Brief Description of Work:	
<p>Alien Babies aims at helping the public understand how we inherit some physical traits. The concept of recessive and dominant genes will be explained to participants on secondary school levels. Participants will roll a dice to determine which genes from maternal and paternal lineages the baby will receive.</p>	

Hazard Identification:

Hazard(s)	Present Risk Evaluation L/M/H	Control Measures (i.e. alternative work methods / mechanical aids / engineering controls etc.)	Risk Evaluation after control L/M/H
Small pieces (googly eyes and card pieces): choking hazard to young children	M	Participants will be supervised at all time. Small children will be helped to manipulate the smaller pieces until they are glued onto the paper.	L
Slipping/tripping hazard: some card pieces can be slippery if on the floor	L	Clean up as soon as something falls on the floor.	L
Stabs and cuts using scissors	M	For small children: pieces will be pre-cut. For primary and secondary school level individuals: scissors will have blunt ends and the participants will have space to cut the pieces without bumping on each other. We'll have a first aid kit on site to take care of small cuts.	L

Engineering Controls: none required

Guarding		Extraction (LEV)		Interlocks		Enclosure	
Other relevant information (incl. testing frequency if appropriate):							

Personal Protective Equipment (PPE): Not required

Eye / Face		Hand /Arm		Feet / Legs		Respiratory	
Body (clothing)		Hearing		Other (Specify)			
Specify the grade(s) of PPE to be worn: n/a							
Specify when during the activity the item(s) of PPE must be worn: n/a							

Non-disposable items of PPE must be inspected regularly and records retained for inspection

Persons at Risk:

Academic staff	x	Technical staff		P'Grad students		U'Grad students	
Maintenance staff		Office staff		Cleaning staff		Emergency personnel	
Contractors		Visitors	x	Others	X		

Additional Information: Identify any additional information relevant to the activity, including supervision, training requirements, special emergency procedures, requirement for health surveillance etc.

A member of staff will be solely responsible to take care of any incident during the event.
Children taking part in the activities will be accompanied by a responsible adult at all times.
