Animal Welfare Centre

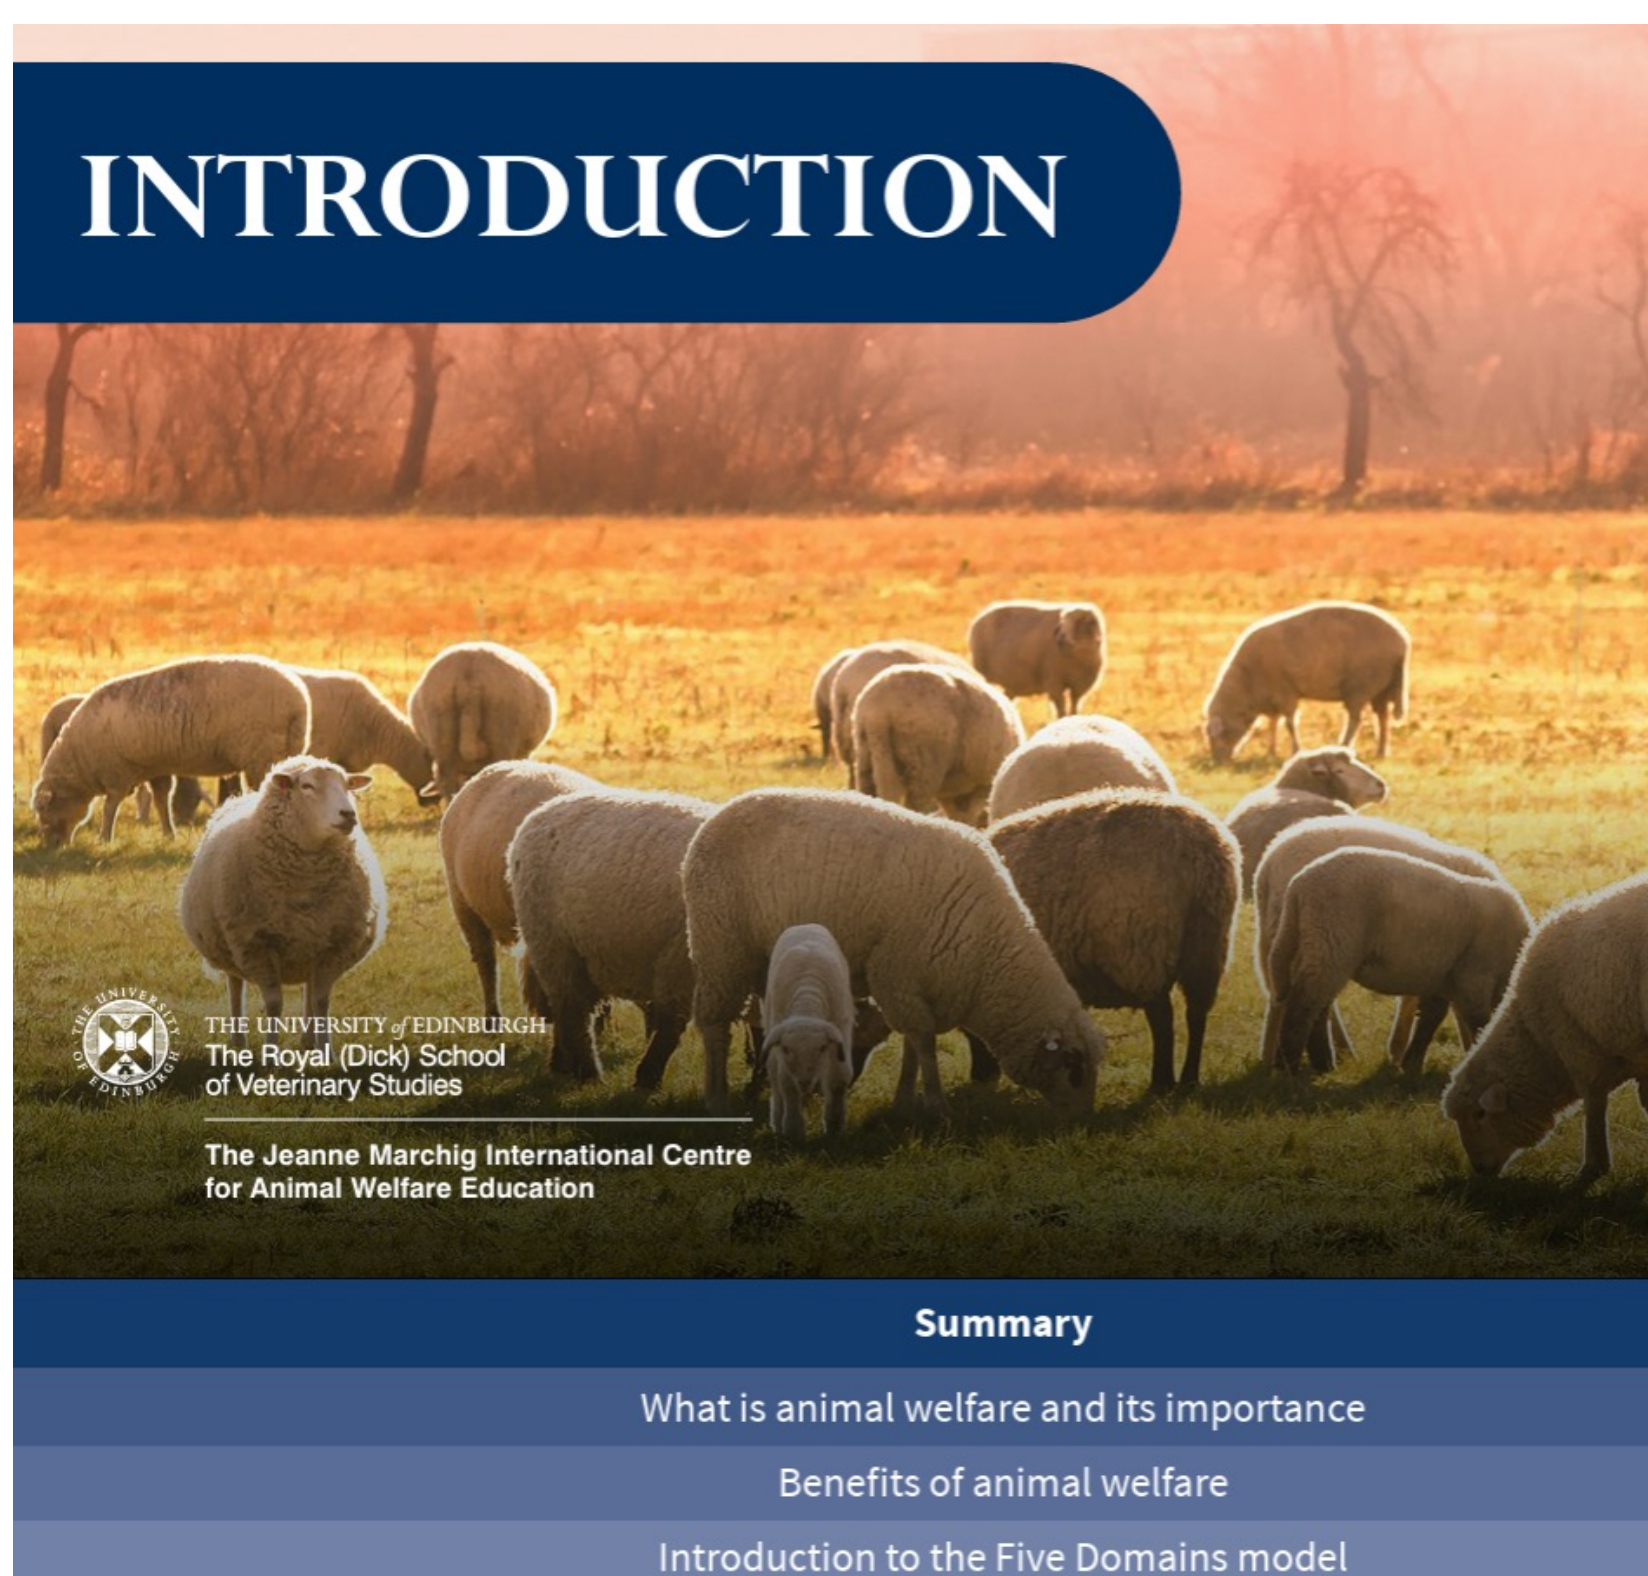

The AWC aims to improve the quality of life for all animals through education, research, training and by influencing policy at the highest level. Here are a few examples of our current work

WILD ABOUT WELFARE

- 8 module e-learning package for targeting zoos/aquariums/sanctuaries globally
- Launched in English in 2021; translated into 6 languages & counting
- Over 24,000 downloads from 70+ countries to date
- Endorsed by the World Association of Zoos and Aquariums (WAZA)

INTRODUCTION

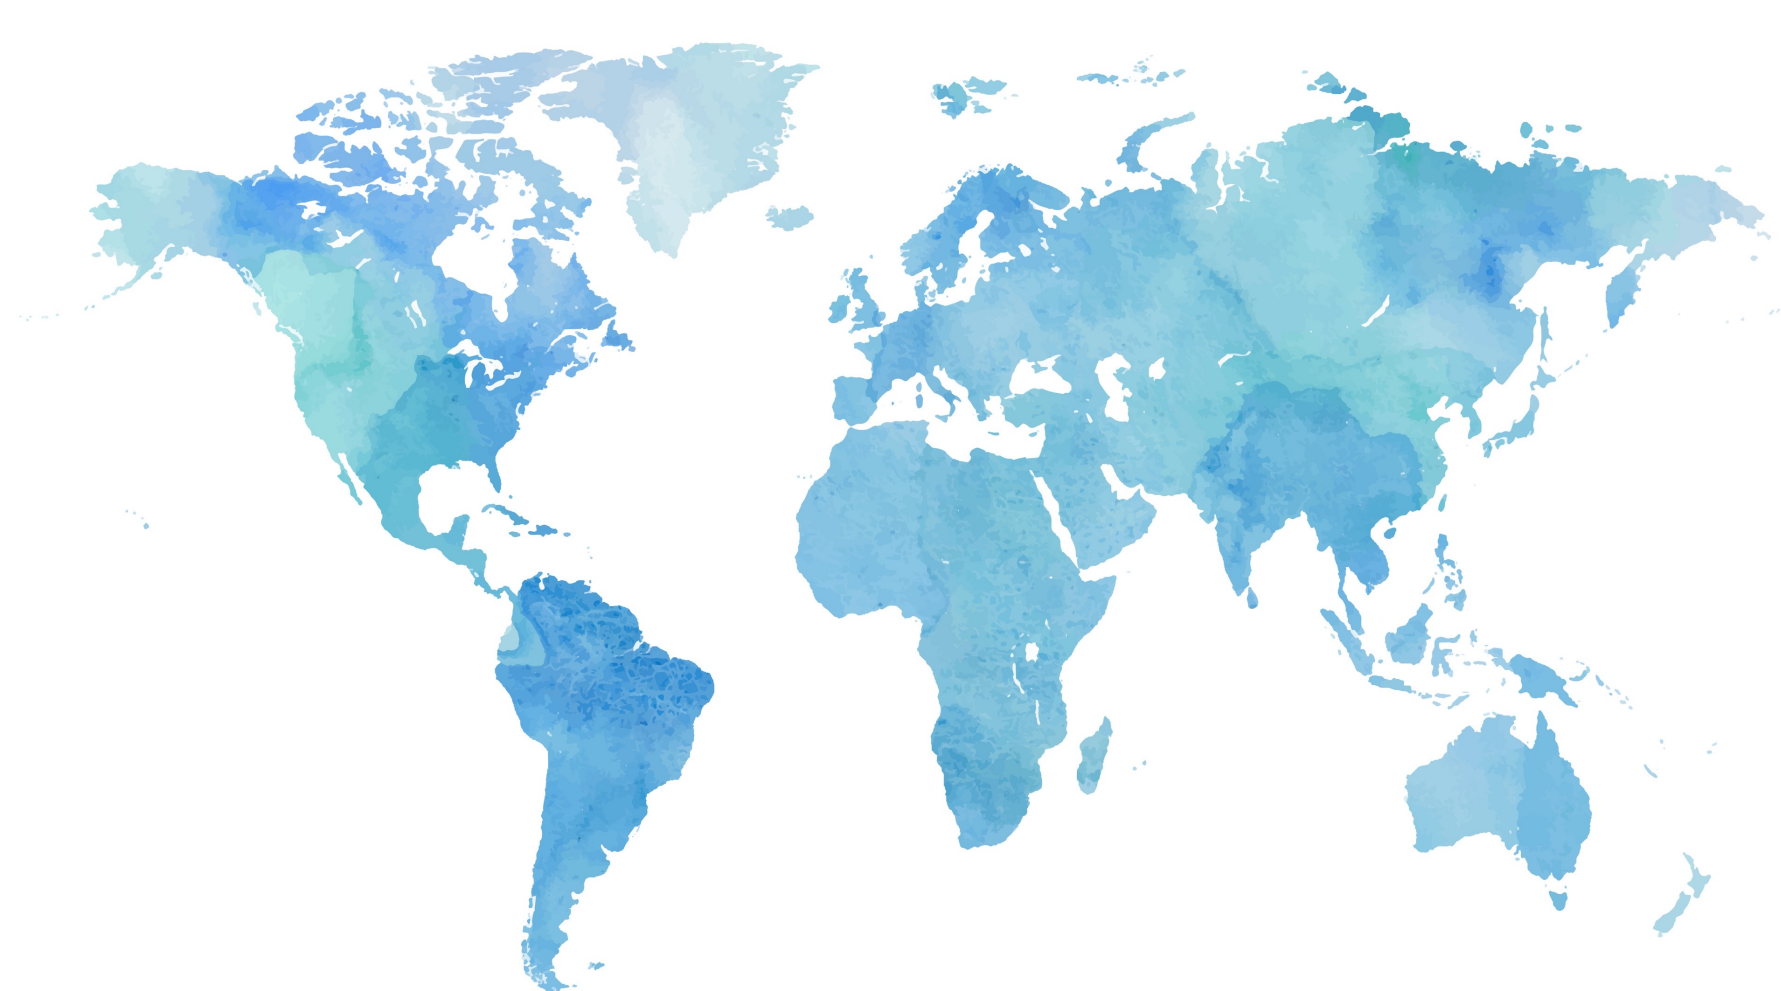

FARM ANIMAL WELFARE RESOURCES

- Working in collaboration with SRUC and GAAFs developing free education e-resources
- Fulfilling a need for evidence-based, accessible content on farm animal welfare
- Currently English with Chinese translations coming; content now included in training modules for veterinary service providers in Uganda, Mali and Ethiopia
- Average 4.72/5 stars from participants

ANIMAL WELFARE INTERNATIONALLY

- Capacity development, collaboration and research with pig producers and industry in **China & Philippines**
- Research, advice and collaboration in **Sri Lanka & India**
- Collaboration with ILRI to embed animal welfare into livelihoods and livestock research and development **Ethiopia, Mali, Uganda, Vietnam**
- Contributing to **Global Agenda for Sustainable Livestock**
